# Blank Solution Naming Requirements

Create Blank Solution.

Name it in this format: [CourseName-MyName-FacultyNumber-H1]

Ex: ITMOM-DeividMladenov-00001001-H1

Location is your own choice.

Some Hints !?!

1. Use Visual Studio 2017.
2. H1 at the end of the name is the number of the current homework. In other words H1 = Homework 1.
3. Remember this format of naming for your homework !!!
4. Use our YouTube channel or GitHub repository if you need more help .
